

NONMORTALS TEST, MACH 3

Warning: This examination is extremely dangerous, and is not recommended for those using Pacemakers, artificial limbs, wigs, rubber cigars or who have ridden an elevator in the last seventy-two (72) hours. By signing this contract, you agree to the following terms: 1) I am not Tony Danza. If you do not qualify for and plan to complete this test, please stand up (unless you are bound by a sacred family oath not to do so, or are, in fact, the real slim shady), twirl three times like a ballerina, and sing the chorus to *Waltzing Matilda* in the key of D-minor. We are not responsible for any damage that occurs to you, your possessions or your limited edition *New Kids on the Block* wrist watch during or after testing.

My name is: _____

- A. Dave C. Rick
B. Bill D. Shelia

Sex:

- Male Female
 Yes, Please! Null...

So, without further ado, let's **test!**

1.) When hanging a bear bag from a tree, a camper is most likely attempting to protect his or her food from

 - B. Making a mountain out of a molehill
 - C. Barking up the wrong tree.
 - D. $H_2O + Na_2O_2 \rightarrow NaOH + O_2$

- 41.) Based on the primary source to the right, a portion of a 1967 literal interpretation of Sergei Prokofiev's symphony, "Peter and the Wolf", which cartoon would Peter likely watch if he wasn't grounded from television for three weeks?
- A. The Jetsons
 - B. Captain Planet
 - C. Ghostbusters
 - D. Thunder Cats

Grandfather came out. He was all bent out of shape because Peter had gone into the meadow.

"It's a dangerous place. If a Wolf should come out of the forest, then what would you do, huh?"

Peter did not answer, because after all, it was a rhetorical question.

Boys like Peter are afraid of a lot of things, like Nuclear annihilation and flunking algebra, but they're not afraid of Wolves.

But Grandfather got Peter in a headlock and dragged him home, telling him that he was grounded and that he couldn't watch any cartoons for three weeks.

-Daniel F. Shalleckser, 1967

- 42.) Why would anyone want to roast a weasel on a coat hanger while swimming in a bowl of mustard?
-

- 43.) Bostonian : Chowdahead :: New Yorker : _____

- 44.) Circle all of the differences between ImageA and ImageB.

←←←←←
ImageA
←←←←←

→→→→→
ImageB
→→→→→

- 45.) What is your favorite type of chips?
- A. Poker chips
 - B. Consumer Health Information and Public Services
