"Congratulations! You've passed the Nonmortals Test v4.0!!!"  
That's what I would be saying if you actually did pass the Nonmortals Test. But you didn't. Yet. And probably won't. If you so desire, you may give it the old college try... simply answer the questions and return it to a proctor as soon as nonhumanly possible.

**In order to take this test, one must meet the following requirements:** (1) You are NOT Tony Danza, (2) You are not in any way, shape or form associated with Tony Danza, (3) You are not (God forbid) a fan of Tony Danza's, and (4) You have never enjoyed an episode of *Who's The Boss?*  
If you meet these requirements, you may begin testing.
